Dear Parents

Reception Swimming

From next week Reception children will be swimming on a Tuesday morning, starting Tuesday 8 May, weather permitting.

Please could you ensure your child has a swimming kit that includes **a named** towel, suitable footwear to wear to and from the pool (Crocs or similar) swimming costume/trunks and a swimming hat (**your child will not be able to swim without wearing a swimming hat**). Swimming hats may be purchased, if you do not have one, from the school office. Arm bands will be provided if required. If children could also bring in their PE kit as in the likely hood of rain, we will be doing PE instead.

We are sure you will appreciate changing children and applying sun cream is very time consuming with this age group, therefore in order to allow the children to spend maximum time possible in the pool, we would be very grateful if on hot days, you ensure your child is wearing sun lotion before they arrive at school.

Yours sincerely

Helen Baughan
Reception Class Teacher
