

13 June 2018

Dear Parents

SPORTS DAY - Thursday, 21 June 2018

You are invited to the Lower and/or Upper School Sports Day, which is being held in one day on Thursday, 21 June 2018. On the day, events for the Lower School will commence at 10am, in addition to Upper School Field Events. Please note there is no parking on site for the morning events. For the Upper School Track Events the gates will open at 1:35pm, with events starting at 2pm. Upon arrival you will be directed to park by Mr Clark our Site Manager.

If anyone has a gazebo that they could lend to the school for the day, to protect the children from the sun, we would be most grateful. Please could you let Mr Burrett or Mr Clark know as soon as possible?

Please ensure that children have a sunhat to wear on Sports Day. If they do not have one, you can purchase one from the School Office (£4.00 each). For your own comfort, if you would like to sit down, you are welcome to bring a folding chair or blanket. Please note that animals are not allowed on the school premises, even for Sports Day.

Sports Day is a school activity, so children will remain with their teachers throughout the morning or afternoon. Please collect your child(ren) from their classroom after Sports Day, unless of course they are attending an afterschool club.

There will be school lunch for those pupils who do not go home after Lower School Sports Day. **Children picnicking with their parents should be taken home after lunch unless remaining to watch older siblings with parents.** Tea will be served for parents and children on the field at the end of the afternoon.

For those of you who wish to picnic at lunchtime and for others, the Friends of St Faith's at Ash will be selling various refreshments.

In order that we are able to cater for correct numbers for lunch on Sports Day, please could **parents of Lower School children (Reception to Year 2)** complete and return the slip below to the school office **by Monday, 18 June** at the latest.

Yours sincerely

Lawrence B R Groves
Headmaster
