Dear Parents

Summer Music Concert - Tuesday 26 June 2018

This year, our annual Summer Music Concert will take place on Tuesday 26 June at 7.00pm in St Nicholas Church, Ash. I am sure that our village church will add ambience to what is always a wonderful and prestigious event.

All children in the school choir, chamber choir, orchestra, string orchestra and Upper School recorder club will be performing in the concert, together with solo performances. The children will need to be picked up from school, given something to eat and then returned to the church for 6.45pm, wearing their full summer uniform including hats, caps and blazers. Jumpers should not be worn. The performance will end at around 8:00pm.

We encourage parents, together with family and friends, to come along to this special evening to support the children who have worked so hard at practising for their performances. We ask that small children and babies are not brought to the concert so that those children performing can be heard more easily. When the programme of music has been finalised, parents of the soloists may reserve seating in the church. I will write to parents of these children nearer the time.

Hopefully your child will be able to take part in the concert. Please could you complete the slip below, to confirm their attendance and return it to the school office by Monday 11 June. Alternatively, please email me at paul.ainsworth@stfaithsprep.com

Yours sincerely

Mr P Ainsworth
Head of Music
