

18 June 2018

Dear Parents

Attached are the much awaited Year 6 class lists for September. We have painstakingly matched the children to what we think will suit them best in terms of academic, social and moral development for next year. We would appreciate it if these were not tampered with, for in having to move one child we will have to unfairly move another to balance the numbers. Having said that, the children will experience a change each day as they move to their three smaller sets according to ability for Maths and English.

Jo Woodhead will continue to be a form tutor in Year 6 and Heather Gibbs will take responsibility as the other form tutor assisted by Vicky Crocker who will be the constant in 6G, and register the children in the morning, afternoon, and see them out at the end of the day. Vicky has had teaching experience at secondary level, is joint chair of Friends, a mother at St Faith's and has been providing support in a number of different year groups within the school since her arrival.

I must finally assure you that we are always keen to ensure that our children are well prepared for transition to their appropriate secondary school and will continue to work hard to achieve this goal.

Kind regards

Lawrence B R Groves
Headmaster
