Dear Parents

**Music Theory Study Skills Class**

From Wednesday 12 September, I would like to start running a Study Skills class in Music Theory. This would just be for the children in Year 1. The class will take place on Wednesday mornings, starting promptly at 8:00am until 8:25am in the Music room. If you sign your child up for this class, they will be expected to attend every week.

Last year, when your children were in Year R, lots of them joined Singing Club. I also ran a Recorder Club just for them, which resulted in a performance during the Grandparents' Day concert. In addition, there are also lots of them who have private Music lessons, so I thought a theory class would help in their musical studies.

The children will spend many of the lessons working through a workbook which is 'Music Theory Made Easy for Kids' Level 1 by Lina Ng. It should cost around £4 and is orange in colour. It would be easier if parents could buy this book for your child, rather than it being arranged through school. If you have difficulty finding one, please let me know. If the book doesn't arrive in time for the first class, it doesn't matter. Other than buying the book, there are no other charges.

If you would like your child to attend the Study Skills class in Music Theory, please click on the link which was sent in the email with this letter.

I look forward to hearing from you.

Best wishes

**Mr P Ainsworth**  
Head of Music
