

15 January 2019

Dear Parents

In a slight change to the advertised assembly, next Wednesday 23 January, at 8.40 the pupils who have been attending the Enterprise group on Thursday mornings will be presenting their business proposals to our very own panel of 'multi-millionaires' in St Faith's Dragon's Den.

Parents of children taking part are warmly invited to attend. It is likely to take around an hour for the Dragons to consider all the proposals and make their decision. You can of course, leave early if you need to.

On Wednesday 30 January, the assembly scheduled for Year 6 will now involve all the Year 6 pupils not involved in the Enterprise Assembly.

I hope this change does not inconvenience you too much. We wanted to make sure the children who have worked so hard on their business proposals have a chance to present their ideas to the widest possible audience.

Kind regards

Mr Mackenzie
