

15 March 2019

Dear Parents

**Le Chateau de Warsy Residential Trip 2019      20- 24 May 2019**

As time draws nearer for the Year 6 residential trip to Le Chateau de Warsy in May 2019, we would like to give you further details including the following:

- Summary of insurance cover provided with the booking
- Kit list

The insurance document is an important Information sheet which summarises what is covered in the policy and any exclusions that apply. The full terms and conditions of the policy are held in the school office if you would like to refer to them.

We also attach an extended medical information form, French hospital form and swimming capability form, which you are asked to complete, sign and return to school by Friday 29 March. You must also ensure you complete your child's National Health Number and date of last Tetanus vaccination, if you do not have these details please contact your GP surgery who should be able to assist you.

The kit list is essential clothing and equipment that your child will need to take with them on this residential trip.

Please take time to read all of these documents carefully, they provide you and the school with important information.

Please could you ensure, as the advice from the Government, that your child still has 6 months of validation on their passport from the date of entry to France and a valid EHIC (European Health Insurance Card). If your child does not have a European Health Card you may apply for one at the following website, follow the simple instructions and the card will be sent to you automatically usually within 7 days (this is a free service).

[www.nhs.uk/nhsengland/healthcareabroad/ehic](http://www.nhs.uk/nhsengland/healthcareabroad/ehic)

In order to have all documents in place in good time for the trip, we also need to have your child's valid passport and European Health Card in school by Tuesday 7 May, which will be securely locked in the school safe.

We will be writing to you before the residential trip again informing you of the programme of events for Le Chateau de Warsy and any other information that we feel you may need.

Yours sincerely

Lawrence B R Groves  
Headmaster

Helen Stokes  
Trip Leader

✂.....

Date: .....

## RECOMMEND CLOTHING LIST

**Luggage:** Please restrict this to one case plus one piece of small hand luggage.

**Spending Money:** This is not essential, but children may wish to have some money to spend on souvenirs at the school's discretion. The total amount the school recommends is no more than 35 euros (for the external visits planned) and should be in a **named** purse or wallet. These will need to be given to the party leader who will distribute them during the visits.

**Torch:** The children may find this useful.

### **Bedding/Towels: Children require a sleeping bag and towels**

**Clothing:** Please ensure all clothes, shoes, bags and creams are named. Children doing activities require old clothing: long-sleeved tops and long trousers for most activities, even in the summer months. Children will not be permitted to take part in certain activities if they do not have these. On activity days children require a number of different outfits. Clothing that dries easily is helpful.

### **NB: For wet activities three layers of clothing must be worn.**

**Clothing List:** Sensible casual clothes for the evening  
**Outdoor Pursuit** 3 pairs of old tracksuit bottoms, 2 leggings  
**Groups** 3 (at least) long-sleeved tops/ sweatshirts  
1 fleece or 2 woollen jumpers  
1 thin waterproof/shower-proof/rain jacket, ideally waterproof/shower-proof trousers too  
2 towels (**one large and one small**) swimming costume and swimming hat  
Socks  
Woolly/fleece hat/gloves  
Hair ties for students with long hair  
A carrier for any medication

**Sun Protection:** Please ensure that children have sun protection and a hat/cap.

**Mosquitos** Please note that there may be a lot of mosquitos at the Château, so remember to ask the student to bring, sprays and creams for this (to be named also please).

**Footwear: x2** All children doing activities require two pairs of trainers. Open-toed shoes are not permitted for safety reasons. For children doing water activities, an old pair of trainers is required for use on the lake (children without suitable footwear will not be able to take part in the activities, rubber water shoes are useful).

**Other useful items:** Water bottle for use during activities. Pens & pencils for quiz and language modules, one pack of sweets (no chocolate or chewing gum). A disposable or digital camera is allowed but are taken at your own risk. A bin bag for dirty items.

**NOTE:** **Woolen or fleece fabric are more suitable for the water sports activities as when they get wet they hold in warmth far better than cotton/denim fabrics.**

### **NO MOBILE PHONES ARE PERMITTED**

An independent prep school and nursery for boys and girls aged 2 to 11
