Dear Parents

To round off our study of World War 1, I would like to show the children the last episode of *Blackadder Goes Forth* (Goodbyeee). This episode neatly recaps key themes that we have studied in a humorous way but also cleverly shows the reality of war in the final scenes. It does, however, contain some language that we would not normally use with our pupils. If you would like to view the episode, there is a version currently available to view here <https://www.dailymotion.com/video/x20wccj>. In school, we will be using a DVD.

Please could you let us know whether or not you would like your child to watch this programme in school by clicking on the link sent via email with this letter, by Monday 25 March. An alternative activity will be provided for those not watching.

Thank you very much.

Kind regards

Jo Woodhead
