Dear Parents

Grandparents' Afternoon - Friday 20 May 2022

On Friday 20 May we will be holding our annual Grandparents' afternoon and would like to welcome all our Grandparents to come along for an afternoon visit to the school. In previous years Grandparents' afternoon has been very well supported with large numbers attending. Children thoroughly enjoyed taking their Grandparents on a tour of the school as well as entertaining them with a variety of activities.

It is becoming increasingly noticeable as to just how much involvement many Grandparents have at school, with picking up, dropping off, attending sporting and cultural events as well as assisting with school fees. With this in mind we would like to acknowledge all that our Grandparents do by giving them their own special afternoon.

We will start off with a special assembly of music, dance, speech and readings, starting at 2.00pm, followed by cream teas, served by the children and a tour of the school. Grandparents are then welcome to take their grandchildren home if they so wish.

Parking will be allowed on site and the gates will open at 1.45pm. Please may I request that visiting Grandparents do not arrive before this time.

In order to assist with catering requirements, if you have Grandparents in the family who are interested in attending please [CLICK HERE](#) and submit the form by Monday 16 May.

Yours sincerely
